

When the food reaches the stomach it is subjected to a powerful churning movement by the muscular walls of the stomach. (See Dr. Pierce's Medical Adviser, page 45). In the liver, kidneys and skin, the blood is purified of its waste materials—these organs act as human filters, leaving the blood pure and clear—unless liver, digestive tract and kidneys are clogged.

Dr. Pierce's Golden Medical Discovery

is a stomach, liver and kidney tonic—by assisting the stomach to assimilate, the liver to filter, the kidneys to act—the poisons are removed, the red blood corpuscles are increased and one feels light, fresh and active instead of logy, dull and heavy. The "Discovery" stimulates the stomach, increases action of heart and arteries, is a most satisfactory alternative in blood-taint of any character. The refreshing influence of this extract of native medicinal plants has been favorably known for over forty years. Everywhere some neighbor can tell you of the good it has done.

Infection and Insect Bites Dangerous.

Mosquitoes, flies and other insects, which breed quickly in garbage pails, ponds of stagnant water, barns, musty places, etc., are carriers of disease. Every time they bite you, they inject poison into your system from which some dread disease may result. Get a bottle of Sloan's Liniment. It is antiseptic and a few drops will neutralize the infection caused by insect bites or rusty nails. Sloan's Liniment disinfects cuts, bruises and sores. Committee Vindicated.

It is only fair to the Greene county Democratic central committee to say, now that the primary is over, that the committee was completely vindicated by the vote in this county. The committee, after long reflection, endorsed Harry D. Durst for congress. This was denounced as a frameup, that it was gang politics, that the resolution did not represent the will of the Democrats of the county or even of the committee. False statements were sent all over the district and they had much to do with the defeat of Mr. Durst.

The Leader said then and it says now that the committee's action was taken by fair means, that the resolution represented the views of the committee and the county. The vote shows this clearly. Mr. Durst has carried the county by a good majority, showing the sentiment of the county as voiced by the committee.

The Democrats of the county went even further to sustain the committee. Every member who was active in obtaining the endorsement for Mr. Durst was re-elected in the Third ward in spite of opposition. Charles Sansone, an active Durst supporter, overcame opposition in the Fourth ward. Messrs. Smith and Bridwell go back from the two precincts of First even a more pronounced endorsement of the committee was obtained. Mr. Mitchell, who was denounced for being in former meetings of the committee on proxies, was elected as a regular member and in spite of opposition.

It is distressing to the Democrats of Greene county to find the impression created in the north end of the district that Harry D. Durst could be capable of machine or dishonest political dealing, or that he would accept an endorsement from the county committee obtained by fraud.

Mr. Durst is defeated but not dishonored. He would rather be where he is today than a victor if it were necessary to win by fraud and bearing false witness.—Springfield Leader.
